SECTION 5b (3) of the Illinois Dental Practice Act provides: "If the person, firm or corporation receiving a written order from a licensed dentist engages another person, firm or corporation (hereinafter referred to as 'sub-contractor') to perform some of the services relative to such work order, he or it shall furnish a written sub-work order with respect thereto on forms prescribed by the Department of Registration and Education which shall contain:

(a) The name and address of the sub-contractor. (b) A number identifying the sub-work order with the original work order, which number shall be endorsed on the work order received from the licensed dentist. (c) The date on which the sub-work order was written. (d) A description of the work to be done by the sub-contractor, including diagrams, if necessary. (e) A specification of the type and quality of materials to be used. (f) The signature of the person, firm or corporation issuing the sub-work order."

"The sub-contractor shall retain the sub-work order and the issuer thereof shall retain a duplicate copy, attached to the work order received from the licensed dentist, for inspection by the Department of Registration and Education or its duly authorized agents, for a period of 3 years in both cases."
